OPENING SEPTEMBER 9!

What better way to cherish the beauty of Rodeph Sholom than through a limited edition satin sheen or lithograph print of "The Windows of Rodeph Sholom" (as seen on the right.) The artistry of stained glass is heightened by the depth of color in the detail of each window of this special edition. "The Windows of Rodeph Sholom" will be a feature on the wall of your home or office and serve as a timeless reminder of the beauty of the windows that bathe Rodeph Sholom's sanctuary in colorful light.
